

Numeracy

- Draw a superhero city using 2D shapes. You could include a list of the shapes you have used. For a challenge, describe their properties using mathematical language such as sides and corners.
- Be a superhero and learn your times tables... can you count in 2s, 5s, or 10s?
- What can you do in a minute? ... star jumps, what number can you write up to, standing on one leg, finger clicks, writing your name etc. Record your results.

Out and About!

- Head to your local park, climb to the top of the climbing frame and then strike a superhero pose!
- Keep a tally chart of any emergency service vehicles you see or hear ... police officers, paramedics and fire officers are our real-life heroes off to save someone or keep us safe...
- Real life heroes are often remembered in the form of a statue. Keep a look out for any that you might come across in the local area ... (There's famous one outside of Pride Park!)

Literacy

- Create a wanted poster which describes a superhero of your choice!
- Draw a comic strip about a superhero – it could be a superhero we all know or one you make up!
- Research a famous superhero and write a short fact file about them!
- Draw a superhero and label your picture with 5-10 adjectives to describe them e.g. strong, brave.
- Write a list of 5 'golden rules' for being a sensible superhero. These rules could suggest how to behave and how to protect/look after the environment.

Working with Others

- Find out what special powers the people in your family would like to have if they were superheroes.
- Take or draw pictures of yourself being a 'superkid' at home. Maybe you tidied your room or helped wash the dishes? You can then explain to the class what you did and how it helped your family.
- Get a grown up to hide your toy, then do a super secret rescue mission to find it!
- Do your best superhero pose, and get a grown up to take a photo.

Homework Choice Grid Superhero Me

Please complete at least 5 activities

Expressive Arts

- Design your own Superhero! What are they called? What Powers do they have? What does their costume look like?
- Design a superhero shield that tells everyone how amazing and special YOU are! Use whatever ideas you like to show off your wonderful self. E.g. favourite colour, what you're good at, what makes you special ...
- Make your own 'Supertato'! Design a costume, draw a face and turn an ordinary potato into a superhero.

Let's Get Technical!

- Make a Vehicle for a superhero out of junk modelling materials. Remember to give it some special features.
- Design and make your own superhero
- Can you design your own superhero logo using the computer?

Health and Wellbeing

- Superheroes need to be fit! Can you design a fitness circuit for a Superhero? (Draw your ideas).
- What food should a superhero eat to keep fit and healthy? Make a meal fit for a superhero to give them lots of energy for their missions! Take pictures for your book or draw your plate of food.
- How many parts of your body can you balance on to create a stunning superhero pose?

Social Studies

- Be brave by trying something new (like a new vegetable!) Draw/take pictures and send them into school.
- How would you persuade a 'baddie' to become a 'goodie'? Write down your ideas.
- How can you be an environmentally friendly superhero who is responsible for saving the planet? Think about recycling etc.
