

# LIGHTS, CAMERA, ACTION

## Best English, Communication & Language

**The Sound Collector:** The children will be developing their confidence to orally present a text with a look at Performance Poetry, with the opportunity to create some performance poetry of their own.

**The Bear and the Piano:** We will also be using a short finding tale to help us learn about using speech punctuation in our narrative writing.

**The Drummer Boy:** We will be using our VIPERS to explore a story set in a different culture. We will also use it to produce a shadow puppet performance which links to our Learning Journey.

## Best Scientific & Technological understanding

Our topic has a strong Science, Computing and DT focus. The children will be working in teams to make shadow puppet films using iPads and computers, using characters and a narrative that they will develop within their English lessons. The children will also be designing and making a stage set and props will be investigating how to create sound effects.

Pupils will explore Light & Sound.

We will be investigating reflection and shadows, learning about the role of the sun and how to keep our eyes safe in the sun. We will be learning about how sound is made and heard through vibrations as well as learning the difference between volume and pitch within a range of instruments from around the world. We will also be investigating which materials provide the best insulation

## Best Creative Arts

**Music & Art:** Exploring the work of Wassily Kandinsky through mark-making and a group collage.

**Music:** Composing a film score to accompany the shadow puppet animations.

Indian Tabla Music.

## Best Inspiration Day & Outcome Event

Exploring music and mark making. Composing music to match a mood/scene.

Hollywood Theme Day with a Film Premier of The Drummer Boy.

## Best Physical development, Health & Wellbeing

Our PE lessons continue to be supported by specialist PE coaches. PE this term will be focused on gymnastics and Invasion Games

## Best Historical, Geographical and Social Understanding

E-Safety Day & World Religion Day: Exploring Hinduism
